Aqua Expo real success

In spite of the heavy rain which brought proceedings to a halt for a short time, St. Albert's Aqua Expo which was held on Sunday was highly successful. Even the rain

was put to some use as many of the several hundreds of spectators took advantage of the break in the program to view the displays and exhibits in the Clubhouse and

watch the Red Cross films which ran continuously.

After Mayor R. M. Gibbon had opened the show and introduced the pool staff, Mr. Rod Johnson took over as master of ceremonies. The program went at a fast pace and included demonstrations and exhibitions by some of Canada's most outstanding swimmers and divers.

Four members of the well known "Swimming Smiths," George, Sandra, Susan and Allison, demonstrated competitive swimming and Nancy Robertson, Judy Hales, Ron Freezen and Phil Risping gave an impressive exhibition of diving. As well as these individual performers, the "20 Fathoms" demonstrated skin and scuba diving and the Jaspersettes and Aquadettes gave a colorful display of synchronized swimming. Our own pool staff gave several demonstrations of water rescues and Royal Life Saving Society procedures.

A highlight of the afternoon was the Swim Meet between St. Albert and Vegreville. Even the rain which continued to fall failed to dampen the enthusiasm of either participants or spectators. St. Albert won which, of course, pleased the naturally partisan crowd but the Vegreville team put up a good fight and Mr. LoBalbo who was responsible for its appearance has sworn vengeance at a meet to be held in Vegreville on July 13. The afternoon ended with a water polo game involving some of our local boys and the Piranhas Water polo team.

A silver collection was taken during the afternoon, the proceeds of which (along with those from the concession which did a roaring business) will go to defray the expenses of the show and towards the funds of the swim club. This club was formed one year last year by Bernie Luttmer.

Nancy Robertson, member of the 1968 Canadian Olympic Diving team thrilled spectators with a beautifully controlled dive, at the Aqua Show last Sunday.

Young spectator and companion undisturbed by the rain wait for the Aqua Expo show to start again. It did, too!

Father Primeau, waving, and Frontier Daze Chairman Harry White are chauffeured down Mortville's Main Street in the parade on Saturday. Proud owner and driver of the 1917 Ford Touring is Roger Caouette of St. Albert.

Protestant board looking to future

The St. Albert Protestant Separate School District has one statement of need before the department of education and another one almost ready to go in.

The one before the department concerns an addition to Sir Alexander Mackenzie School which would include nine classrooms, administrative offices, and several ancillary classrooms.

The one that will be submitted to the department within the next few weeks concerns Paul Kane High School for which the district board is planning.

Nine new classrooms, five science demonstration rooms, two ancillary classrooms of 750 square feet each plus 3,775 square feet of ancillary space, library, language lab, home economics and industrial classrooms, five business education classrooms, a gymnasium, administrative area and staff rooms.

The statements of need are part of the board's long-range plans to keep ahead of the student boom, something which means a constant battle with the department of education.

The statement of need for Sir Alexander Mackenzie School was submitted once but was returned by the department, trimmed down considerably. The board immediately resubmitted, with stronger and more elaborate arguments accompanying it.

Its needs are so great at Sir Alexander Mackenzie that it had considered attempting to rent a section of the Indian residential school east of the town.

"We're pretty well rejected this idea now in favor of portable units," Mr. Schroder said, "it would probably take too long to set up a deal with the department of Indian affairs and busing could be a problem in the winter. We'll probably rent the four portable units required."

The portable units will be required as the addition to the school will probably not be ready until the fall of 1970.

School boards are usually behind in erecting new structures, Mr. Schroder said, because they have to show the government they are going to have the students before the statement of need

will be passed. By that time they usually have the students but still no building.

The plans for Paul Kane call for a start on desmiling of the building this summer, with tenders being called next year. The building hopefully would be ready for occupancy in the fall of 1971 but Mr. Schroder said it could even run a year later.

Mr. Schroder said the department classifies SAM as a 15-classroom school when the board would like it classified as 20 rooms. This would allow for suitable orderly expansion of the complex around adequate core facilities.

Merchants of Grandin Shoppers Park stage a mammoth pancake breakfast every year to kick-off rodeo celebrations in St. Albert. Here Ed Bouvier looks decidedly professional presiding at the griddle. The businessmen report that over 8,000 pancakes and some 400 lbs. of sausage were stored away by the big crowd this year.

Legal Fete au Village set for July 26-27

Fete au Village, Legal's outstanding summer festival, will take place on July 26 and 27 this year.

Flapjacks à la Canadienne will be served to early risers on Saturday morning at 8:30 a.m. Everyone welcome.

The parade will commence at 10:30 a.m. at Legal School grounds, travelling west on Main Street to Citadel Park. All children will be admitted free. Each day a \$25 gate prize will be presented to some lucky adult attending Fete au Village.

The Edmonton All Girls Drum and Bugle Band to perform at 11:30 a.m.

Hon. R. C. Clark, M.L.A.'s Keith Everitt, Carl Muller, MP Jack Bigg, Mayors of Edmonton, Fort Saskatchewan, Westlock, Morinville, St. Albert, Bon Accord and Gibbons will be on hand for the celebrations together with councillors of the M.D. of Sturgeon.

The official opening of the Water Plant will take place on Saturday at 11:30.

The Legal Recreation Board invites everyone to attend Fete au Village. The colorful "Coureurs de Bois" costumes will be worn by the residents as they all go out with their traditional fine hospitality to bid you BIENVENUE.

So get your Klondike costumes or wear what you please, but make sure you attend Legal's Fete au Village "69" on July 26-27.

Arson suspected in barn blaze

Fire destroyed an old barn and a shed just south of Sir Winston Churchill Avenue on Bishop Street early Saturday morning.

And Fire Chief Fred Tetarenko suspects arson. The fire chief said Monday that fires were started in both buildings, which were 40 feet apart.

Sgt. Ken Williams, head of the local detachment of the RCMP, said Monday his men were still investigating the incident.

It was the second fire on the property within the past few weeks. Earlier a fire had been started in the basement of an old vacant house. Caught early, firemen had little trouble putting it out.

The blaze Saturday took three hours to stop as the volunteer department was forced to press three pumpers into action, trucking water from the nearest hydrant at the junction of Bishop Street and Sir Winston Churchill Avenue.

Registration for instructional classes for July and August will be taken at the Clubhouse on Wednesday, July 2 from 3-7 p.m. Anyone interested in skiing and scuba diving or synchronized swimming is asked to register at the pool. If enough interest is shown classes may be arranged.

Diane Johnson, Tineke

Opderneype and Janice Schinkinger were successful in obtaining Bronze Medalion Awards at the end of the course recently held. The next course for this award will start on July 14.

At the Mile Swim held on June 22, John Kettles gained a Silver Award by finishing the mile between 30 and 35 minutes. Bronze Awards (35-40 minutes) were won

by Mary O'Brien, Pamela Boulier, Debra Savio, James Love and Tom Kehoe while Peter McCaffrey and Ric Horner finished within the allotted 45 minutes and gained Standard Awards. The next Mile Swim (65 lengths) will be held on Sunday, July 6 at 9 p.m. Leave your name at the pool if you feel like meeting the challenge. Remember - there is no age limit.

Morinville Red Cross swimming course

MORINVILLE - The 1969 Beginners Red Cross Swimming course will begin on Monday, July 7 with the chartered school bus leaving Main Street in Morinville at 7:30 a.m. sharp. A second stop will be made at the north west corner on old Highway No. 2 near the John A. Bokenfohr residence, on the way to St. Albert.

Two adults will supervise on the bus daily, and both supervisors are to be on the bus by 7:20, ten minutes before departure time.

Supervisor's schedule is as follows:

Monday, July 7 - Mrs. Rose Martel, Mrs. Zel McDonald.

Tuesday, July 8 - Mrs. Jeanne Chalfour, Mrs. Marguerite Rousseau.

Wednesday, July 9 - Mrs. Jeanne Ethier, Mrs. Annette Lapointe.

Thursday, July 10 - Mrs. Raymond Rloper, Mrs. Pauline Cormier.

Friday, July 11 - Mrs. Octave Himeschoot, Mrs. Ann Gaetz.

Saturday, July 12 - Mrs.

Rita Charest, Mrs. Gertrude Morris.

Tuesday, July 15 - Mrs. Borg Carlson, Mrs. Joyce Granger.

Wednesday, July 16 - Mrs. Rita Borle, Mrs. Armand Himeschoot.

Thursday, July 17 - Mrs. Madeleine Gibeau, Mrs. Jofre Kremer.

Friday, July 18 - Mrs. Jeannette Ouellette, Mrs. Lorraine St. Laurent.

Rules that must be enforced on each day:

All girls must wear bathing caps in the pool.

Plastic or beach bags for each child's bath towel and swim suit.

To the pool. No lunches, pop or eating on the bus is permitted at any time, or at the pool.

The bus will return to Morinville at 10:30 a.m. Parents are responsible for the transportation of their children to and from the bus.

Supervisors are responsible for the safety and conduct of the group while bus is in transit.

Walkathon turnout good

About 275 St. Albert residents, most of them youngsters, participated in the Lions' Club 10-mile Walkathon on Saturday.

"We've no idea how we made out financially," Walkathon chairman Bill Webber said Monday, "but just the participation was a success."

The walkers started off at 9 a.m. and Mr. Webber said the last one checked in at 1 p.m. Only one walker made more than the 10 miles. Dave Hanson of the tennis club jogged the first 10, then walked another four.

Namao

Namao UCW groups 1 and 11 met in the Community Hall on Monday, June 23. Dr. Couves, a cardio-vascular surgeon with the University Hospital, Edmonton, showed films and talked about his recent trip to Ceylon. Dr. Couves was one of a few Canadian doctors to donate several months of his time to serve on the mercy ship called Project Hope which sails to underdeveloped countries of the world, teaching and showing the medical professions of these countries how to improve their standards and helping them to help themselves. The "Hope" is entirely independent of any government and all supplies are donated. It spends two months in Philadelphia country.

The two units also discussed plans for the annual flower show to be held Aug. 23rd.

The district was saddened by the passing of one who was born and raised at Namao, Mr. Bob McNelly Jr. Our prayers and thoughts are with his wife and family.

Mr. and Mrs. Bud Crozier were honored on their 25th wedding anniversary on June 28 at a dance in the Namao Community Hall. A large crowd enjoyed dancing to the music by the Pioneers. Mr. Roy Davis made a presentation to the couple on behalf of the community while their son Alan presented them with flowers on behalf of the family.

Oilers out fast in tournament

St. Albert Oilers didn't stay around long in the Morinville Frontier Daze Baseball tournament on the weekend.

The Oilers got in only one game, bowing 8-3 to Fawcett.

Fawcett jumped into a 2-0 lead in the first inning and added one in the second. Oilers tied it in the bottom half of the inning but after that Fawcett took over,

striking for two runs in the third and fourth and a single tally in the fifth.

Richie Perrault started for Oilers and went out in the fourth inning, giving way to Bert Kenney. He lasted into the fifth before Hank Reinbolt came on to finish up.

Legal won the tournament, defeating Half Moon Lake in the final.

The Council at the Alexander Reserve is preparing for a three-day sports program Aug. 1, 2 and 3 at their new sports grounds, with full facilities to accommodate large crowds.

Among the main sports events will be a major baseball tournament with 12 teams participating. Junior Championship Boxing for boys 12 and under. Also a feature mile runner race and half mile race for boys and men. Lunch and refreshment booths will be manned for all three days, to feed and supply the confectionary needs of all guests. Good fun and entertainment is assured to all comers.

Among those who were injured in a car accident in Riviere Qui Barre district last week are: Miss Georgina Merrier, who is reported to have severe internal, head, neck and back injury; Miss Linda Charest, head and knee injuries; Miss Pauline Krauskopf, face and rib lacerations. The owner of the car is reported to have been a 20 year old youth from Edmonton. All the girls are from Morinville.

The Morinville Board of Trade will hold its regular monthly supper meeting on July 8 at 7 p.m. in the Morinville Hotel. This will be the last meeting till September.

A social evening was held recently in the Morinville Legion Hall in honor of Ambrose Ricard and his bride to be, Mrs. Blanche Boissonnault. A large crowd was present with Mr. and Mrs. Maurice Schayes and Mr. and Mrs. Gustave Ricard as hosts.

Mrs. Boissonnault and Mr. Ricard will be married in Morinville on July 4. After a honeymoon trip to the States, they will settle on the family farm in the Morinville district.

Mr. and Mrs. Victor Boddiez are enjoying a motor trip to the West Coast.

Mr. and Mrs. Matt Hittinger, accompanied by Mr. and Mrs. Clarence Steffes, are visiting relatives in North Dakota.

Chevrolet Pacesetter Values

This year's cars at less than last year's prices.

You already know where most prices are going. Up. So you'd naturally expect the brand-new '69 cars shown here to cost a lot more than last year. Fact is, many cars in this year's line-up from Chevrolet cost less, much less, than last year's models. For instance, the 2-door Impala, equipped with power disc brakes, Turbo Hydra-matic transmission, whitewalls, wheel covers and head restraints, plus a bigger motor than last year, is yours for \$120.50* less than last year's figure. And comparable savings are waiting for you on many Nova, Chevelle and Camaro models. In other words, you can buy many of this year's cars at less than last year's prices. Which is what putting you first is all about. From the top, Chevy Nova, Chevelle Malibu, Camaro and Impala.

Every Chevrolet has to make it before we mark it.

*Based on manufacturer's suggested maximum retail price, including federal sales and excise taxes and suggested dealer delivery and handling charges.

Jack, a singer from Edmonton, also entertained. Master of ceremonies for the two-hour show was Johnny Saunders.

Atoms last hope in soccer cup play

St. Albert hopes for a Challenge Cup championship in soccer now rest with a group of boys 10 years old and under.

The Atoms advanced to the semi-final last week by defeating Gloria Dei 3-1 and Wellington 5-1.

John Mercer continued his high-scoring pace, connecting twice against Gloria Dei and three times against Wellington. Dallas Zahara

Dodgers gain tie, for bantam lead

Dodgers defeated the Pirates 18-6 last Thursday night to tie the Senators for the lead in the St. Albert Fire Department Bantam Baseball League.

It was almost a duplicate of the teams' first two meetings when Dodgers won 19-5. In this one, they again outnumbered their heavy artillery but also took advantage of numerous Pirate errors.

The Pirates played without their coach, Doug Millroy, as he was forced to

umpire a second bantam game when one of the umpires failed to show.

Doug McKenzie was credited with the victory. Greg McRae took the loss.

The Senators went down 25-22 against the Angels, who were getting their first win. It was the Senators' first loss.

Ernie Mitchell buried some strong relief ball to help Angels overtake Senators in the late innings. Berna Dandict and Simon

LaFrance led Angels at the plate. Gary Bruens and Gordie Brown passed the Senators.

League play will resume at the two Sir Alexander Mackenzie school diamonds Thursday night. Senators and Dodgers will clash and the Pirates play the Angels.

Angels sideline Red Sox

Angels won the Grandin division championship in Little Canadian baseball section in St. Albert last week, downing the Red Sox 18-11 in the second game of a best-of-three final.

It was close until the fifth inning when the Angels blew it open with seven runs. Red Sox sent five batters to the plate in the top of the sixth but couldn't get anything across the plate.

Red Sox had led 5-3 after the first inning but the Angels scored seven runs in the second to lead 10-6. Red Sox kept chipping away until they tied it in the fifth, but they couldn't stand prosperly.

Chris Krupa and Roger Meunier shared the pitching chores for the Angels.

Bradley Sinclair went all the way for the Red Sox. Playoffs in the Mission League are continuing with the Reds playing the Cubs to see who will go against the Expos in the final.

Fastball tourney set

A 12-team fastball tournament will be held in St. Albert on July 19 and 20.

Teams from the Sturgeon Fastball League and others throughout the district will compete.

Games will be played on the diamond behind the Catholic Church.

Texaco gets 14-4 victory

St. Albert Texaco and St. Albert Drive-In recorded victories in the Sturgeon Fastball League last week.

Texaco had to work a little harder for theirs, although not too much. Texaco defeated UAPD 14-4 as pitcher Charlie Garvis ran his record to 7-1.

All Drive-In had to do was show up to win. Belcourt Construction didn't field a team and defaulted.

In other games last week, Stony Plain defeated Calahoo 9-6 and Spruce Grove defeated CNR 20-6.

Oilers go 6 games without a defeat

St. Albert Oilers dropped their first game of the season in the Oilfield Baseball League but they haven't lost since.

In the past four weeks Oilers have picked up four wins and two ties, the latest a 7-7 split with Calmar Cubs.

Oilers had a long way to come back in that one, being down 5-0 after two innings. They struck for five runs in the fifth to tie and went

ahead with two in the sixth. Calmar gained the tie in the seventh.

Richie Perrault started for the Oilers but he gave way to Henry Hodgson in the third inning. Hodgson was credited with the win.

Perrault cracked a long triple to give Oilers a boost in their bid to overcome the deficit and Chester Cunningham produced two singles.

Safety contest winning essays

Two students in the Sturgeon School Division won awards in the Alberta Safety Council's 19th annual farm safety essay competition recently.

Debbie Rye, a Grade 6 student at Namsco School, received \$50 for writing the best essay among Grade 6 students from across the province.

Judy Pukalo, a Grade 8 student at Horse Hill, was the other Sturgeon representative in the provincial finals.

Their essays follow:

By Debbie Rye
"Look out!" The sound echoed throughout the farm buildings of Mr. K. A. Jones. My employer's small son was playing by the still-suspended front-end loader. Now it was crashing down on him. Swiftly I grabbed his elbow and jerked him out of danger. Taking the badly shaken boy to his mother, I then checked the tractor to see what had caused the near tragedy.

The front end loader had been left up and there was a leak in the hydraulic hoses. Then I quickly went to Mr. Jones to report what happened. Slightly timidly I said, "You know, Mr. Jones, when I was in Junior High, they told us of the three E's of Safety."

"What do you mean, boy?" Mr. Jones asked as he leaned back in his chair and filled his pipe.

"Well, the first 'E' is engineering. That hydraulic hose should have been checked. The second 'E' is enforcement. Billy should not have been playing there. He could have... he could have been killed." Mr. Jones just nodded his head.

"The third 'E' is education. Mr. Jones... you know that front end loader should have been down. Well sir, that's all I wanted to say." I got up and left the room. Mr. Jones still sat smoking in his chair, his face betraying none of his emotions. Then he too, got up and from that day forward Mr. Jones was the most safety conscious man in the community, because of one hired hand and one near funeral.

By Judy Pukalo
As nine-year-old Bobby White walked home from school his thoughts were centered upon his father's newly purchased International tractor. From the age of seven Bobby had remembered himself driving the lawn mower tractor and then the half-ton truck; gradually working his way to learning how to drive the more complex farm machinery. Boy, if dad only would let him drive the new tractor.

As he half ran down the driveway Bobby could see his father, Mr. White, fixing the combine, getting it ready for the harvest. Why couldn't he be older, just old enough to help with the harvest. Well, no more time could be spent on dreaming for Bobby had to get undressed and into his farm clothes and do his chores. This kept Bobby busy with no time to think about

his longing wish.

Jane and Caren, Bobby's two older sisters who were both 12 years old were setting the table and discussing the upcoming events they would be involved in. When Mr. White and Bobby came in and sat down at the table, they ended their conversation and started to tell their parents about the three E's of Safety they had been told about at school. Both parents listened attentively and explained to his family that they had nothing to worry about because it would be very unlikely that a machinery accident should happen. Caren and Jane looked at each other and grinned and then Caren blurted out, "What about Bobby driving farm machinery at the age of nine. Don't you think that's a little young?"

"Not at all Caren," Mr. White said, "you just take things a little too seriously." That ended the meal on a rather unpleasant note, leaving Caren and Jane looking at each other rather sadly. They had tried. No one could say they hadn't.

Bobby on the other hand didn't think anything of the conversation at the supper table. He knew that one of these days he would be driving that tractor.

Three weeks later Bobby was revealing his longing wish to his father. At first Mr. White was quite disturbed but after thinking it over he finally consented to Bobby's wish. For the rest of the afternoon Mr. White showed Bobby how the tractor operated.

"Bobby, I'll tell you what," Mr. White said, "you can hitch the water barrel to the tractor and drive it to the dugout for a test drive. While you do that I'll go get the irrigation pump and meet you at the dugout."

Each went his own way and soon Bobby could be seen driving the tractor to the dugout. While Bobby was driving the tractor he thought, "Wouldn't it be proud if he saw me back up the tractor to the dugout the way he always does when he gets water. After nearing the dugout Bobby shifted into reverse and began to back up towards the area where his father often left the tractor when getting water."

Just then Mr. White was seen driving the half ton truck towards the dugout. After backing up a considerable distance Bobby decided to get one or two more feet closer to the water. He would show his father that he wasn't afraid. Bobby shifted into neutral and started to get off the tractor when suddenly it began to roll towards the water. Panic-stricken Bobby jumped off the tractor and Mr. White grabbed him and together they ran to safety.

The tractor was damaged but Bobby and his father weren't hurt. After this serious accident which might have proved fatal for Bobby, Mr. White began to realize the importance of Caren and Jane's conversation of the three E's of Safety.

The two sisters informed the family that the three E's of Safety stood for Engineering, Enforcement and Educa-

tion. For the engineering phase it was decided that Bobby would drive tractors when he became more capable of doing so. Bobby was taught the precautions that should be taken when driving farm machinery. This involved the second phase, that of education. For the enforcement phase, whenever

Bobby drove farm machinery someone would always accompany him to insure his safety.

From this accident the White family began to use more safety around the farm machinery. Safety also was used while using machinery of any type.

SOUTHPAW BRIAN BENTON

... pitched Pirates to championship

Pirates capture minor ball title

The Pirates rallied for five runs in the top of the sixth inning to win the Sturgeon division championship in the St. Albert Lions Little Canadian Baseball League last Friday night.

A see-saw battle all the way, it was probably the fastest game played in the league this season, lasting only one hour and 15 minutes. Brian Benton was the big man for the Pirates, pitching three-hit ball and cracking a lead-off home run in the sixth to tie the score 5-5 and start the Pirates on the way to their big inning.

Despite the 9-5 score, it was a pitchers' duel all the way. Jim Wallin, a surprise starter for the Braves as he lasted only three innings when Pirates won the opening game of the series 13-9 on Wednesday, mowed the Pirates down for the first three innings on Friday.

He gave up two walks and a single in the first inning, but struck out the side to get out of it with only one run in. He struck out the side in the second and third innings also as the Braves took a 5-3 lead.

Coach Don Keith pulled Wallin in favor of Tommy Millman in the fourth inning and the Pirates for the fourth straight inning went down with three strikeouts.

Millman gave up a run in the fifth and the Braves' slender lead disappeared in the sixth.

Benton homered. Sandy Millroy bunted safely. Robert Pavelich sent a shot into centre field that got by the fielder and he raced all the way home. Greg Pudlowski was safe on an error and Stephen Lister moved him along with a perfect bunt, reaching first safely himself. Pudlowski scored on a passed ball.

In the bottom half of the inning, Benton was in command. Kevin Keith grounded out; Jim Grant struck out and Doug Belley hit a shot back to the box that Benton snared to record the last out.

Benton gave up three hits and mastering his control, which had troubled him all season, walked only one. He had six strike outs.

It was the second straight year the Pirates, coached by Doug Millroy, have won the league title.

The first game of the series was also a see-saw battle with the lead changing hands several times, the Pirates moving in front to stay with five runs in the bottom of the fifth inning.

Dale Reinbolt went 5 2/3 innings to get the win for the Pirates. The Braves used five pitchers.

Town of St. Albert Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 175 of the Municipal Government Act, Chapter 68, 1968, as amended, will hold a public hearing to consider the proposed Bylaw #20/69.

The purpose of the proposed Bylaw #20/69 is to close and sell that portion of St. Thomas Street lying between Tache Street and Grandin Road.

The proposed bylaw may be inspected by the public during reasonable office hours at the office of the secretary-treasurer, Town Hall, until the Public Hearing hereinafter mentioned.

Any person wishing to make representation concerning the above bylaw should submit a statement in writing to the secretary-treasurer before noon on the 18th day of July 1969 so that it may be included in the agenda of council.

A Public Hearing will be held on the proposed bylaw in the Council Chambers, Town Hall, at 7:35 p.m., Monday, July 28, 1969. Any person who wishes to comment on the proposed bylaw may address council subject to the rules of council for oral presentation.

This street closing, favored by council, will permit the development of a commercial complex on Lots 21 to 40 inclusive in Block 2, Plan G.

D. B. O'Connell
Secretary-Treasurer.
